PATENTS

Avocats, and Trade-Marks obtained, and all Patent Business conducted for Moderate Fees.

Our Office is opposite U. S. Patent Office. We have no sub-agents, all business direct, and we can transact patent business in less time and at less cost than those remote from Washington.

Send model, drawing, or photo, with description. We advise if patentable or not, free of charge. Our fee not due till patent is secured.

A book, "How to Obtain Patents," with references to actual clients in your State, county, or town, sent free. Address,

C. A. SNOW & CO.

Opposite Patent Office, Washington, D. C.

D MUNN'S PATENTS

After Forty years' experience in the preparation of more than One Hundred thousand applications for patents in the United States, and in the publishers of the Scientific American continue to act as so zealous for patent, avocats, trade-marks, copy-rights, etc., in the United States and certain parts of Canada, England, France, Germany, and all other countries. Their experience is unequalled and their facilities are unsurpassed.

Drawings and specifications prepared and filed in the Patent Office on short notice. Terms very reasonable. No charge for examination of models or drawings. Advice by mail from the Patent Office. Address, Munn & Co., Boston, Mass. The Scientific American, which has followed circulation and is the most popular newspaper in the world, is the advantage of such a notice every patent application.

This large and especially illustrated newspaper is published by Munn & Co., Boston, Mass., and is admitted to be the best paper devoted to science, mechanics, inventors, engineering works, and departments of industrial progress.

It contains the names of patentees and lists of every invention patented each week. Try it four months for one dollar by all means.

For any information or patent write to

the publishers of the Scientific American.
